

"It's not that successful people are givers; it is that givers are successful people."

"You are a rare and precious gift. You are the only you there ever was or ever will be. You are in this world to offer your unique combination of experiences and talents."

"No one else can ever leave your fingerprints on this earth."

"Give yourself the gift of forgiving."

combination of experiences and talents."

Patti Thor

"Giving people hope in their time of trouble shines a spotlight into their darkness."

"As swimming is easier when your pool is full of water so life is easier when your heart is full of gratitude."

"Money doesn't grow on trees, but it does grow from seeds." "Hope is a life preserver. It holds you up when you are in over your head."

"Give to the poor and you partner with God."

"You only F.A.I.L. when you

Fully Accept Imaginary Limits."

"You must have a mindset of success before you will have the assets of success."

"Giving people hope in their time of trouble shines a spotlight into their darkness."
